

Did you pay too much in state and federal taxes? We have an answer for you!

Virginia's **Education Improvement Scholarships Tax Credits (EISTC)** program provides a **65%** return of your donation in Virginia state tax credits.

If you itemize, you will **also** receive federal and additional Virginia state tax deductions for charitable organizations.

Gifts of cash, check, credit and stock qualify for this program.

What's great about tax credits?

- They directly reduce your tax bill for all taxpayers, regardless of whether or not you itemize.
- Individuals and businesses donations starting at \$500 are eligible.

Your investment in Catholic education today provides scholarship funds for students tomorrow.
