

# ONCE A KNIGHT, ALWAYS A KNIGHT

## PC ALUMNI NEWSLETTER

At this year's commencement, PCHS was honored to have PCHS Alumni **Erin Conley (1998)** as our Commencement Speaker. Erin talked about how well PC prepared her for life after high school. She also encouraged our graduates to find things in life that spark their curiosity and feeds their soul. Her path included many unforeseen detours but she is glad that she paid attention to signs along the way. All of those opportunities led her to where she is today - the Assistant Director of Enrollment at James Madison University.

**Reverend Mr. Peter Clem (2010)** was ordained to Priesthood on June 4, 2022 in Arlington, VA and recently assigned to the Basilica of St. Mary in Alexandria, VA. He began his journey to the Priesthood in 2013 shortly after graduating from George Mason University. We wish Reverend Clem the best of luck throughout his spiritual journey.
