#### **CHRISTIAN SERVICE GUIDELINES FOR ALL STUDENTS--GRADES 9-12**

Service is the fulfillment of our baptismal promises and our patriotic duty. We are called to be a compassionate and just people in imitation of Jesus. Students in grades 9-12 are required to complete a minimum of 20 hours of service each year to be eligible to graduate (with 5 of those hours being completed in their theology classes). 8th grade students will focus on serving the school community throughout the year and are not required to complete this project.

***Due to this period of social distancing, immunocompromised students, and the preference for students to stay at home during this time, we have created some alternative approved service projects that students in all grade levels can complete with little to no contact with others, while still fulfilling their call to serve.***

**Please note:** school clubs, managing athletic teams and school fundraisers (such as Bingo) do not count towards service hours.

Service Hours forms [Service Hours Form](#) will be turned in to the homeroom teacher on Wednesday, August 26, 2020 regardless of when their Theology class is scheduled.

All projects will be due Tuesday, September 8, 2020 to the corresponding grade level shared Google Drive folder, regardless of when their Theology class is scheduled. Name your project as follows [Last Name, First Name, Grade Level] (example: Rogala, Peggy, 12th Grade).

There are many opportunities to serve the community even in this crazy time. Be Creative! These lists are not exhaustive.

Service hours can be in service to the family (for all students in grades 9-12) if they are above and beyond regular chores and the student is not compensated for their work.

**Step 3:**

**9th & 10th Grades:** Google Slide presentation to be delivered in class (6-8 slides)

**[RUBRIC]**

**11th & 12th Grades:** Video (3-5 minutes) **[RUBRIC]**

**Both types of projects must include the following:**

Lessons you learned from their mission:

What elements of Catholic Social Teaching and/or Works of Mercy did your servant saint live out? Explain how they did this.

- **Principles of Catholic Social Teaching**
- **Corporal Works of Mercy**
- **Spiritual Works of Mercy**

Explain your experience: What was the physical effect of your work? What was the spiritual effect of your work? How did you grow spiritually as a result of this work?

How did your service emulate the life and work of the saint you chose?

How can you incorporate those elements/lessons you learned in your daily life?

What changes can you make to your life to become more like your chosen saint?

### Parent Volunteers and Virtus Training

All volunteers who are regularly involved with students (coaches, coaching assistants, media

center aides, homeroom parents, etc.) are required by the Diocese to undergo a background check through the Virginia Department of Social Services and Screening One, thus clearing them for such involvement. In addition, all volunteers must complete the **“Protecting God’s Children”** Virtus three-hour workshop. After this certification, volunteers continue their training through monthly online modules through **VIRTUS**.

When volunteering during the school day, parents are asked to sign in at the front office.
