We need your help with our YouTube Channel! As we continue to look at options at streaming events during this year of virtual events, we wanted to use a smartphone to able to have better maneuverability and options when recording. But, to do that, we discovered that without 1000 subscribers to our YouTube Channel, we cannot use a smartphone to stream events. We currently have 189 subscribers. So, please take a few moments to subscribe from each email account so we can reach our 1000 subscribers as soon as possible. [PCHS's YouTube Channel](#). Thanks!
