Inspired by the simple joy of receiving flowers, **The Simple Sunflower Project** is dedicated to bringing happiness and hope into the lives of people enduring or recovering from illness. Volunteers transport the beauty and vitality of nature indoors by delivering flowers to local hospitals ensuring each bouquet is personally gifted to an individual. Our aim is to brighten and comfort each patient's stay while contributing to the sustainability of our community by repurposing florals.

Learn more about [The Simple Sunflower](#). The newest location will be at Riverside Hospital. If you are interested in assisting with this project, please email [Mrs. LeMaster](#). More details to come.
